I confirm that

I have not been or transited in countries designated as the areas of dangerous communicable disease for COVID-19 or countries or administrative areas at risk of COVID-19 infection as announced by the Ministry of Public Health, Thailand and Chulalongkorn University.

I have returned from or transited in countries designated as the areas of dangerous communicable disease for COVID-19 or countries or administrative areas at risk of COVID-19 infection as announced by the Ministry of Public Health, Thailand and Chulalongkorn University.

I arrived back in Thailand on, and have completed the quarantine period of at least 14 days as recommended by the Ministry of Public Health and also complied with Protective Measures Against the Spread of COVID-19 announced by Chulalongkorn University.

I hereby accept and agree to comply with the protective measures against the spread of COVID-19 taken by the Chulalongkorn University Academic Testing Center.

..... (Applicant Signature)

...../...../.....

Remark Since COVID-19 has been designated as a dangerous communicable disease according to Communicable Diseases ACT B.E. 2558 (2015), if the applicant fails to disclose the above information, the applicant may be liable to penalty as mentioned in Chapter IX of Communicable Diseases ACT B.E. 2558 (2015)

The applicants are required to attach a copy of their Thai national identity card or valid passport.

N.B. Regulations for test-takers:

- 1) Test-takers are required to wear school uniforms or dress properly as illustrated on the CUATC website.
- 2) Test-takers must present their Thai national identity card or valid passport to enter the test room.
- 3) Test-takers must wear a face mask and clean their hands with alcohol gel before entering the test room.

Any person who fails to comply with the above regulations may not be allowed to take the test.
